### MYSPACE PROFILE

React, Firebase, CSS

[GitHub](#) | [Live](#)

Recreating a nostalgic memory of the classic MySpace profile page with an interactive comment section. Discover my interests!

### MAGNETIC POETRY

React, API, Firebase, Git

[GitHub](#) | [Live](#)

Get creative by writing virtual magnetic poetry using a topic of your choice! Drag and drop your poem on the fridge and save it for others to enjoy.

## EXPERIENCE

### SAKS FIFTH AVENUE, TORONTO, ON

**MEN'S CONTEMPORARY STYLIST, SALES** OCTOBER 2019 - MAY 2020

- Clienteled and maintained client relationships to increase store traffic.
- Collaborated with team members, team selling to increase department performance.
- Engaged with clients, suggested merchandise specific to their needs while gaining interest not just in my department, but across all departments.

### PANDORA, TORONTO, ON

**SUPERVISOR, TEAM LEAD** MAY 2017 - OCTOBER 2019

- Consistently reached and surpassed goals during fast paced management segments on the sales floor, tracking goals, KPI's and team sales to improve efficiency and performance.
- Coached team members on how to achieve success with their customer experiences, celebrating wins and creating strategies for challenges they could execute throughout their following engagements.
- Completed sales goals both within my management segments and personal selling hours.

### PANDORA, ST. CATHARINES, ON

**SUPERVISOR, TEAM LEAD** MARCH 2016 - MAY 2017

- Assisted in the early stages of opening the store location, training new team members and styled the store according to company and visual merchandising standards.
- Tracked employee goals and accomplishments both daily and monthly, providing feedback to increase personal and store performance.
- Exceeded sales goals daily and clienteled to increase store traffic during off peak seasons or hours.
